

PARIDHI 2022

CODE Sprint

Megatronix presents an online coding event "Code Sprint".

EVENT TYPE: Single On-spot

REGISTRATION FEES: 1V1-Rs-__ | 2v2-Rs-__

LANGUAGES ALLOWED: C, C++, Java, Python.

How to Register:

RULES & REGULATIONS:

1. The event is an on-spot type event.

Let two Coders (or two Teams of 2 Coders) be named P1 and P2.

At first, a flip coin toss decides the Challenger and the Decider. The guy winning the toss is the decider (suppose P1) and the one losing the toss is the challenger (by default P2). The decider gets to select a question from 3 questions. Each folder will contain a program. The selected folder will be the task for both the participants. Whoever wins, walks out with the cash money. The one solving first will win. Supposedly both can't in the stipulated period, then partial marking will be done on number of test cases solved.

*Draw Scenario:

In case, both solve the same no. of test cases (zero included) then 2 options can be presented to the participants:

a. Both can walk out without any cash as prize money.

b. In case, they re-register they get Rs. XX/- cash back.

2. A participant can participate in any one of the Paridhi days within the allotted time.

3. The participant with the highest score and least time will win the event.

SCORES: Scoring will be available on D-Day.

**IN CASE OF ANY DISPUTES, THE DECISION OF THE EVENT
COORDINATOR WILL BE FINAL**
