

PARIDHI 2022

Code Hashers

Megatronix presents an online coding event "Code Hashers".

EVENT TYPE: Team of 2 (For all Years)

LANGUAGES ALLOWED: C, C++, Java, Python.

RULES & REGULATIONS:

1. The event is an on-spot type event.
The team members will be allowed a short time to decide who starts off with which PC. Each of the 2 members will start solving their respective problems with the start of the timer. On the notification of Half-Time the two coders would be asked to switch their PC and continue where their partner has left. The team which finishes the given problem set the fastest would be judged as the Winner and remaining places would be calculated accordingly.
2. Draw Scenario:
In case, both solve the same no. of test cases (zero included) then
2 options can be presented to the participants:
 - a. Both can walk out without any cash as prize money.
 - b. In case, they re-register they get Rs. XX/- cash back.
3. A Team can participate in any one of the Paridhi days within the allotted time.

SCORES: Scoring will be available on D-Day.

Further rules to be discussed after registration

IN CASE OF ANY DISPUTES, THE DECISION OF THE EVENT COORDINATOR WILL BE FINAL.
