2. If a Player finds that they are unable to Aim Down Sights (ADS) properly, they should notify a Tournament Official immediately. If the Tournament Official is able to confirm that this has occurred, they will determine whether the round/game should be restarted, the game win should be awarded to a team, and/or the conditions under which the round/game should be resumed.
3. After a Private Match has been created, only players on the (2) teams and Megatronix Staff members may be invited/join. If a player that is not a registered member of one of the teams (ineligible player) joins a game, the game must be ended. If a player is found to have invited an ineligible player to a game, a forfeit may be issued for tourney disruption.
4. If a player lags out during the first 30 seconds the game should be ended and restarted for all game modes unless damage is inflicted by the opposing team prior to said time.
 - 4.1 If a player lags out after the first 30 seconds and/or after the first kill (damage inflicted), the match must continue.

Reschedules are allowed completely on the admins discretion and Megatronix hold the rights to allow or disallow a match reschedule.

All Participants should be ready 20 minutes before the scheduled time for each match.

If you notice at any point you will be late for any match, please inform a tournament admin 4 hours prior to the game time. In case the team doesn't show up or respond 5 mins prior to the game time the team risks getting disqualified.

2.2 NO SHOW & MATCHES

1. Tournament matches are expected to be played at the scheduled match time. If an opposing team fails to show up after 5 minutes after the scheduled match time, you must report a no show to live support. We will then contact the opposing team to confirm the no show.
2. **No Shows:**
 - a. **For best of 5 matches.** Teams will have 5 minutes from the no show report time (Refer to Rule #1) to join for map one or risk forfeit of that map. Once a team forfeits the first map, they will have an additional 10 minutes to show for the second map or risk forfeiting that map. Once a team forfeits the second map, they will have an additional 10 minutes to show for the third map or risk forfeiting that map as well. Resulting in a forfeit of the match.
 - b. **For best of 3 matches.** Teams will have 5 minutes from the no show report time (Refer to Rule #1) to join for map one or risk forfeit of that map. Once a team forfeits the first map, they will have an additional 10 minutes to show for the second map or risk forfeiting that map. Resulting in a forfeit of the match. Additional time may be given by tournament live support.
 - c. **For best of 1 matches.** Teams will have 5 minutes from the no show report time (Refer to Rule #1) to join for map one or risk forfeit of that map/match. If you need additional clarification on this ruling,

feel free to contact tournament live support. Additional time may be given by tournament live support.

3. Teams will have up to 5 minutes between maps. Extra time may be given if live support feels it's necessary to extend the 5 minute time limit.
4. Teams can only play one man down in a tournament match. Not having the required amount of players in the lobby at the time given by a referee will result in a forfeit of the map.

2.3 Requesting for a Lobby Remake

In the event of LAG, the player(s) experiencing these network issues need to send a screenshot of high pings faced and will be allowed 1 re-host. Teams can only ask for a rehost if they have ping issues or the game has been started with the wrong map/settings.

2.4 Rematches

1. If a team reports a loss for a match, they cannot then contact Live Support looking to get the match reverted/replayed. Matches are only reverted/replayed if a match being advanced is due to admin error
2. Hosting the wrong map will be a replay of the correct map

2.5 Match Protests

1. A protest can be raised during a match for incorrect server settings/incorrect game settings/incorrect map.
2. The protest must contain detailed information with evidence describing the problem with all proofs attached in screenshots/video format.
3. The protest should officially be communicated to your match admin only.
4. In team matches, only the Team Captain can raise a protest.
5. Insulting/misbehaving with the admin or the enemy team during the protest will lead to the protest being immediately dismissed and the team in question will face instant disqualification or prize money forfeit or both

2.6 Misc.

*If your team is competing in multiple Megatronix tournaments at once and your team is in the finals of one of these tournaments, **your team has 20 minutes from the scheduled match time to play the finals match** or **your team risks being reported as a no show** which can lead to a forfeit of the finals match or being forced to playing man down.*
